HOT COURSES OFFERED

Hurry Up, and equip yourself with hot technical courses. Be Future Ready!

Did you know?

The demand for AI, ML & Data Science is very high and that it is rated as the in-demand skill by 2020-2030.

Global research companies say that AI has become a primary net job motivator creating 2-3 million jobs/vacancies across the globe.

By 2023, artificial intelligence and deep learning techniques will replace traditional machine learning techniques as the most common approach for new applications of data science.

Sigillieum helps students & professionals prepare themselves for this trend change by offering the best course/curriculum in town.

About Sigillieum

We at Sigillieum, the best training center in Chennai offer training & hands-on experience in cutting edge technologies like Machine Learning, Artificial Intelligence, Computer Vision and others to tech enthusiasts and help them with placement opportunities.
